The Missouri Department of Transportation invites you to celebrate the completion of a \$24.8 million project to relocate more than eight miles of U.S. Route 50 in Moniteau County, from Route K to just west of California.

A ribbon-cutting ceremony will take place on Monday, July 19, 2010 at 6 p.m. in the new eastbound lanes just west of the Route 87 interchange. See the enclosed map for details.

Stroll or bike the new highway between 4 p.m. and 5:45 p.m. and be among the first to drive the new highway as part of the parade of vehicles after the ceremony.

Learn about seat belt safety and sign up for a chance to receive an Arrive Alive t-shirt and prize pack. Sign up by 5:45 p.m. to be eligible.

Canned goods or nonperishable food donations are welcome. All donations will go to the United Methodist Church Food Pantry in California to benefit Moniteau County.

The new Route 50 will open to traffic during the mid-morning on Tuesday, July 20.
